Sponsorship Form

Dear Business Owner,

Levittown Seaford Wantagh (LSW Sports) is a not-for-profit 501c youth sports organization allowing children, ranging from ages 3 through 18, the ability to learn the basic skills to play the game. LSW not only is able to run spring intramural baseball but has expanded our sports programs. We have been able to add kickball, flag football, fall baseball, summer, and winter clinics over the past several years. Our yearly enrollment has expanded to over 1500 participants. It is only with your continued support that we can provide our children with these programs and the ability to play a game that so many others have enjoyed in years past. With your donation, a child who does not have the means to join our league can be given a registration waiver and be able to experience a chance to meet new friends, while making memories that will last a lifetime. We rely on your donations to keep the costs down for our families around the league, so they can have their children enjoy playing with their friends throughout their experience in LSW. Your generosity will also allow us to purchase uniforms, provide updated and safe equipment for our children and maintain and improve our fields, which are used year-round by the Levittown Seaford and Wantagh community. Please consider one of the following sponsorship options below and help us provide our children with the proper equipment and updated facilities, or simply the chance to play the game. We sincerely thank you for your support.

Again, thank you for your past and future support and we hope you choose to continue our partnership. We will make every effort to support your business in return for your generosity. Please return the attached slip with your sponsorship, and two business cards. For more information about our organization please visit us on our website at www.lswsports.org and would like to have all our sponsors represented with links to your business. Please respond by e-mail at lswadministrator@lswsports.org and let us know if you will be able to help this year and what we can do for you moving forward.

Sincerely Yours, Don Boyce LSW Administrator
